INT. MARV'S HOUSE - DAY

It is a rainy day at Marv's House and Marv is frowning out the window, then Marv gets an idea and a lightbulb appears above his head.

Marv: I think I'll ignore the rain and go outside to see my friend Mara!

Marv gets his coat and umbrella to go outside and the minute he sets his foot out the door, the rain stops!

EXT. MARV'S HOUSE - DAY

Marv: Hey, Stop that you mean cloud! You better not rain when i have my coat off!

Marv walks back inside with the view still being outside the house and you hear some noises of Marv taking the rain stuff off.

Marv comes back outside and the rain starts again, Marv gets an angry frown as he walks back inside. He comes out with a happy cloudinator 3000 since he was getting so tired of that mean cloud!

Happy Cloud: Yay!

Marv: Oh finally.. Mara im coming!!

You see Marv running into a garage and hear noises of a car starting and then you see Marv driving off to see Mara,
